

January 15, 2019 (5:30 PM)

Meeting Minutes from November meeting - Motion - Phil Jankovich
Seconded - Daniel Berry
Approved by council

Attendance - Matt Nelson, Phil Jankovich, Raschell Davis, Jeanifer Berry and Daniel Berry

SNAP Plan - This is the plan in place for how students get to school safely. We are concerned about the cross walk in the parking area. We think that it would be beneficial to add another crosswalk on the North end of the drop off/pick up line.

- Signed and approved by council.

Digital Citizenship Plan - Lisa Perera sends monthly email to the staff. We send home a home note the first trimester with report cards, We are sending home a brochure at Parent Teacher Conferences in February. We also hold a Netsmart assembly to teach students safe practices on the internet.

Dress Code - Reviewed new dress code being proposed. Parent feedback - approve and support the new dress code.

Attendance - We need to create a plan in order to incentivise students and parents to make sure their students are on school every day and on time.

Parent Engagement Policy and School/Parent Compact - School Community council needs to read the policies and decide how they would like to update and change these policies. Matt Nelson wants to look at some examples and plans of other schools.

February Agenda -

- Behavior Update (What can be done with behavior to help us support our classroom goal?) We would like members of the BLT, school psychologist, and our social worker to present the needs in our school as far as behavior.
- Volunteering Report - Shelly McCall and PTA
- Volunteering Incentive
- Data Update for reading and math.

Motion moved to conclude meeting.
