Meeting minutes from February - Motioned - Jacob Hill
Seconded - Karen Jensen
Approved by council

Attendance - Matt Nelson, Raschell Davis, Alex Torr, Jeanifer Berry, Daniel Berry, Jacob Hill, Ian Wilkes, and Karen Jensen

Technology needs - We are in need of two chromebook/laptop carts in lower grades. Matt proposes that we support \$14,000 cost for the two chromebook carts and \$800 for headphones to support imagine learning in the classroom.

Matt presents the proposed CSIP Goal for the 2019-2020 school year. We are going to continue working on teams become cohesive in the planning of the foundations block and building oral language in our students. We want to move from 49% proficient - 70% proficient by the end of next year. As a council we decided that we did not like a proficiency goal, but like to move more to a growth goal in students reading. Matt asked for time to restructure the goal and to send it out.

A vote was held to change the goal from proficiency to a growth goal. Motioned - Phil Jenkovich, Seconded - Jacob Hill, Voted and approved by the council.

In order for us to include structured discussing into our school goal we will need to include some PD for the teachers in order to support them implementing this into the classroom.

We have four very solid aides and we are proposing that we are able to pay them for the same amount of days that we pay the teachers so that they can have more planning and training days as well. We would also like to have a substitute to come and to help when teachers they want to observe other teachers teach. We are proposing \$52,000 for aids and substitutes.

Once the goal is amended an email will be sent out for an electronic signature from the council.

We agreed that we will cancel the meeting in April and then do our final meeting in May to finish the family engagement plan.

Agenda for next meeting (April 9th)

- Look and get feedback of the current family engagement plan so that it can updated.

Phil moved to end meeting 6:25.
