**From the District (see multiple handouts as well):**

Hats off to Canyons volunteers! Canyons School District's premiere Volunteer Week celebrated the accomplishments of the more than 12,000 parents and community members who volunteered in schools last year, be it to help teachers get ready for the school year, walk children safely cross the street, or support students learning to read. From Sept. 17 - 21, volunteers were recognized in each school, spotlighted on the District Web site and other media, and honored in a special Board of Education reception and recognitions event.

Thank you to all volunteers for your service. Haven't yet had a chance to register as a volunteer? Visit <http://cnyns.org/MusgCM> to access this simple sign-up process.
