

Fun Run for Field Trips

Fundraiser East Midvale Elementary

Parents and students,

This year for our annual school Fundraiser the PTA has organized a Fun Run to take place in the spring (date to be announced). Every student is encouraged to participate in a one mile walk/run that will start in front of the school and go around the Midvale Mile (see map). Students can ask family and friends to sponsor them to walk/run in this event with a cash donation. All proceeds go directly to our school. Our goal is to raise enough money to pay for fieldtrips taken this school year. If each student collected \$10 in sponsors we could easily meet our goal. Please help sponsor your child and support our school in this event. Parents are also invited to come the day of the race to walk/run with your child or to cheer them across the finish line.
