Dear East Midvale Community,

I am very excited to be taking over as the principal at East Midvale. I was a special education teacher in Murray School District for 7 years prior to becoming the principal at Grant Elementary school, also in Murray District, in 2012. I was the principal there for five years. Last school year I was the principal at Viewmont Elementary. I have a Masters of Education in Educational Leadership and Policy from the University of Utah. I am married and have two kids. My wife, Kat, is an achievement coach at Brookwood Elementary. My son, Jude, will be a third grader at Bella Vista, and my daughter, Lucy, will be a 6th grader at Butler Middle. I also have a poodle named Penny, two cats, and five chickens. We also keep a pretty large garden, so we pretty much have a farm. Most importantly though, I truly love working with kids. They are amazing problem solvers, creative, kind, spontaneous, and live in the moment. I am so excited to get to know the students and to learn what makes this community such a great place to be.

There are many familiar faces returning to East Midvale including our Assistant Principal extraordinaire, Ms. Bodell, our Special Education Team, and most of our office and support staff. We have 14 amazing classroom teachers returning including Mrs. Moore in our pre-school program. We have hired 13 teachers for the upcoming year, which is a lot of change, but I am very confident that we hired the very best 13 teachers available! Most of our new teachers are new to East Midvale but not to teaching. They are coming to us with many years of teaching experience and are thrilled to have the chance to make a positive impact on this wonderful community. I am very excited to see what our East Midvale teachers and staff are able to accomplish this year!

Our grade level teams for the 2018/2019 school year are:
