Notes:

Meeting Attendance: The meeting was held virtually with the following people in attendance: Jacob Hill, Ehin and Ashlea Wilkes, Daniel and Jeanifer Berry, Mont Milleberg (school board member), Aaron Rodney (admin intern), and Shelley McCall (Community Schools Facilitator).

We discussed the opening of school and the mitigation efforts put into place and how that is all going. We discussed and got feedback from Jen Berry on how online school is going for her children. We discussed and got feedback on how many students it would take for the school to close down for two weeks.

Mr. Nelson reviewed the TrustLands and TSSP budgets and talked about the need to adjust the funding allocated in the TSSP budget under Salaries and Benefits, Admission, and Transportation budget lines. All of those budget items are not needed this year due to Covid, so we need to figure out how to spend that money at the next meeting and write an addendum to the plan.

Mr. Nelson reviewed the School Improvement Plan goals and action items to remind the council of what data we will be looking at this year to see if our money is being spent wisely.

Mr. Nelson asked for \$3,000 in Cell Tower money to be moved to the Principal's Discretionary fund. The motion was passed unanimously by the council.

The meeting adjourned at 6:13 p.m. The next meeting is November 10th at 5:15.
